

Membership Highlights 2011

American Society of Diagnostic
& Interventional Nephrology

- ◆ ASDIN Membership is now at record levels – 716 members, an increase of 11% over 2010
- ◆ Successful 7th Annual Scientific Meeting in Las Vegas
 - Attended by 313 registrants and 104 exhibitor representatives.
 - 92 first-time attendees
 - 96.4% of attendees rated the program quality overall good or excellent.
- ◆ ASDIN is on solid financial ground. Through the Finance Committee, ASDIN is developing an investment and reserves policy. We hope that investment return and reserves will grow to a level soon that will allow ASDIN to fund future research projects.
- ◆ ASDIN released the new *ASDIN Core Curriculum for Peritoneal Dialysis Catheter Procedures* with good response -
 - More than 100 copies have been distributed since February 2011.
- ◆ New ASDIN Associates webpage - *Flow Finders* - on the ASDIN website was introduced in September. The page includes targeted information for nurses, techs, administrators, as well as training resources.
- ◆ ASDIN Research Committee is gearing up to serve as a Research clearinghouse.
- ◆ Participation in the ASDIN Outcome Registry is growing and benchmark reporting is now available for participants.
- ◆ The ASDIN Coding Manual for 2011 was just been released in the summer to members as a membership benefit.
- ◆ ASDIN will hold the 8th Annual Scientific Meeting in New Orleans, February 24 – 26, 2012. Steven Wu, MD and Ivan Maya, MD are serving as this year's meeting co-chairs. The meeting will once again have a special, hands-on Advanced Techniques Pre-Course. New to the meeting will be a full day Administrator/Manager program and a half-day Associate Members program.
